G. Career Development and Support Services System

The contractor will assist students in entering the labor market or obtaining further education and training by:

- C Equipping them with job search skills and knowledge of the labor market.
- C Providing them with access to services that support successful transition.
- C Identifying and making referral to suitable employment or educational opportunities.

The final objective of this effort will be quality placement, defined as further training or a job with the following characteristics: full time, high wage, long term, training match.

At a minimum, the program will consist of:

1. **Center Placement Readiness Services (applies to all centers):**

As outlined in PRH, 7.1, the contractor will:

- a. Prepare students for successful job search and placement and higher educational opportunities.
- b. Inform students about resources and connect them with resources and service available to assist with placement and transition following separation, and retention following separation, and
- c. Directly place graduates into jobs.

2. **Post-Separation Placement and Support Services (applies to centers with placement quotas and is applicable to this contract):**

The contractor will provide placement and support services for students returning to **designated sub-state areas of the State of Kansas from the Flint Hills Job Corps Center as well as other Job Corps Centers.** For purposes of this procurement the contractor should anticipate a graduate placement pool of **316** and in a 60 day non-graduate placement pool of **158** per year.

The contractor will meet the performance standards established by the Director of Job Corps each year.
